

HAPPY HOLIDAYS FROM SAVE OHIO STRAYS!!

We will be doing small mailings like this instead of our old newsletters to make sure we stay in touch. That big newsletter was getting pricey and we want as much of your donations as possible to go to the animals. As winter begins to set in, we wanted to stop and thank YOU for all your continued SUPPORT! We just couldn't do this without YOU. With that amazing support we are rounding the curve to celebrate our 14-year anniversary next month. WOW! What you may not realize though is that our intake list ballooned to over 70 animals in October. Sick animals, hospice animals, cats and kittens, dogs and puppies, seniors to babies. So even though the holidays are upon us we are still working hard for the animals. This work continues to be done completely by volunteers dedicated to saving lives. THANK YOU!

Happy Endings, Thanks to YOU!

We were asked by a local vet to help some outdoor kittens that were sick possibly due to the extreme cold. We were heartbroken to find this kitty as one of the many babies sick with upper respiratory infection. This sweet girl needed eye surgery ASAP.

We got her to the vet and as you can see, she is recovering beautifully!

Both feral mommas have been caught, and will be fixed so they never have to suffer with sick litters of babies any more. Your generous donations gave us the option of acting immediately to help these and many other animals.

Visit our Kitties at Brunswick PetValu!!

We have partnered with PetValu to showcase some of our adoptable kitties.

They are in the habitat by the front of the store.

Come meet your new best friend!

Cats & Kittens are always at Wadsworth Petco, also.

Lucky 13! had a new meaning for us when we got a call from one of our foster homes saying that MANY black & white cats and kittens had been dumped on her lawn. They kept coming out from hiding places for an amazing count of THIRTEEN. These poor souls dumped like trash on the lawn of one of our beloved dog foster homes. With only a handful of cat foster homes, we scrambled to help. We still have more than half of them available for adoption. Black & White goes with everything, so please consider adding one of our lucky 13 black & white kitties to your loving home! All cats 1 year or older are only \$10!!

Sweet Ziggy was one of 10 pups we saved last month. This poor baby was born with a badly deformed front leg. His foster family named him Ziggy because he zigs and zags when he walks. Other than that he is the normal puppy when it comes to playing and loving life.

His leg does not appear to bother him and the vet feels that he is in no pain. One of our wonderful foster family's committed to doing whatever it takes to help him.

We looked into trying to save his leg but sadly, it would take several surgeries to try to rebuild the leg, and then arthritis would most likely set in. Even after multiple, painful surgeries, there would be no guarantee the leg would be better.

He is being scheduled for his surgery next month then he will be looking for his forever home. He will learn to adjust with only 3 legs and probably able to keep up with the best of them!
